

What you need to know for this event/trip 9/21

How do I pay for this event?

Tickets are \$10

We can start taking payments as early as today 8/30.

You have many options on paying. Cash is obviously our most recommended choice, but we are also able to take Zelle, Cashapp, or Venmo. Please contact Coach G if you plan on doing an online payment. Coach G will be accepting the funds on behalf of the Booster Club. Just keep in mind if you paid for your ticket and you can not make it to the game a refund will NOT be issued. This is something out of our (CHS girls soccer) control.

What do I bring to the game?

All transactions/purchases in the stadium are all digital which means they will not accept cash as a form of payment. My best advice is to make sure to bring a debit or credit card if you plan on making any purchases. If you do not have a debit or credit card on the day of the game and you want to purchase something, talk to one of the coaches and we will work something out.

Can I bring my own food?

Yes, you can but you can not take it inside the stadium. Stadium policies does not permit outside food or drinks.

What if I need to take my medical supplies with me to the game?

We will have a designated backpack where we will put all medical supplies and devices that one of the coaches will have with them at all times. Make sure to put your stuff in a ziplock bag and write your name on it so that it will be easier for you to access it.

When is the money due?

September 12 @ 2:50pm. That is around 2 weeks to get the money for the ticket. I am getting a call from the Dash rep at 3pm and tickets will be purchased during that time.

What if I want to go but I am not sure if I can pay for the ticket?

Talk to one of the coaches and we can work something out. We want our whole program to go!

What section will we be sitting in?

For the past 2 years we have been placed in section 113. Check the stadium map for a better visual representation.

Is there anything that will disqualify me from going?

Yes, if you get a referral/ISS/OSS/DAEP you will not be permitted to go on this trip.

What do I wear to the game?

We are requiring you to wear a Conroe soccer shirt, and must still follow the school dress code. Yes, you can still wear shorts if you want.

How will we get to the stadium and back to the school?

We will be in a school bus. There is a check in process that we need to do before we get on the bus. This information will be given out the Thursday/Friday before the game.

When are we leaving the school?

The game is at 7:30pm. I want to get there 70-90 minutes before the game starts because we need to take into consideration the traffic. We do know there will be an Astros game at the same time, so this will add time to our commute there. We will not wait for late arrivals . You will be given a certain timeframe to arrive at the school. We will leave at an exact time no more and no less. If you arrive late and we are gone, sorry we will not turn back to pick you up. If we try to contact you minutes before we leave and there is no response we will assume you are not going. We are only being firm on this because we want to get to the stadium on time. Arrival & departure times will be given next week.

Is there anything special we should know about for this day?

Yes, I have gotten the approval from the Dash to allow y'all to step onto the field before kickoff. There are limited spots for this perk, so we will give details on this in the near future. This is why I want to get there 70-90 minutes early. We lost this opportunity last year because of traffic.

How many adults will be going with us?

Our goal is to have an adult for every 8-10 girls that will be going to the game. The adult tickets will be paid for on behalf of the booster club. We might need 2-3 parents to help us out, so if your mom or dad is interested then let us know.

When will I have to call my parents?

When we are 30 minutes away (i45/Beltway 8) we will make the announcement to start calling parents.

Around what time will we be arriving back to CHS ?

Depending on traffic I am going to aim for 11pm, but this all depends on traffic.

I am a friend/boyfriend/girlfriend/brother/sister/uncle etc that wants to go. Can they join us?

No, only girls in the soccer program and the chaperones are only allowed on the bus. If they want to go then they can purchase their ticket on their own.

Any other questions, please feel free to ask Coach G first but you are still welcome to ask Coach Stinson and Coach Scott.
